Re: Plaskon Holding Co. -- Response to Section 104(e) Information Request

Dear Ms. Estes:

Pursuant to our telephone conversation this afternoon, this will confirm that the time in which Plaskon Holding Company ("Respondent") has to respond to the United States Environmental Protection Agency's ("EPA") Section 104(e) Request for Information ("Request") is extended to and including December 31, 1994. As I explained over the telephone, while Respondent is diligently reviewing information that may be responsive to EPA's Request, additional time is necessary to review documents which were generated over ten years ago and not within the immediate files of Respondent.

Again, thank you for the courtesies you have extended in this matter.

Sincerely,

J. Andrew Stephenson
